### Bringing new life to Brighouse Station

The Friends of Brighouse Station have had another successful year after entering the Yorkshire in Bloom 'Its Your Neighbourhood' competition. At the annual luncheon at York Racecourse in September they were presented with an Outstanding award and received a National Certificate of Distinction recognising all the effort and hard work in making the station a welcome gateway to the town.

Many passengers and rail staff have praised the quality of the floral displays which had survived the extremely hot temperatures during this summer.

A Gold award was presented at the ACoRP ( Association of Community Rail Partnerships ) event at Glasgow in October and a Bug Hotel area had been shortlisted in the country wide ' Its Your Station ' Small Projects competition.

The group would like to encourage more working members who can spare an hour or two a week to assist the group, particularly during the summer months.
